Club Updates & Reminders...

Arrival Time

All children need to be at camp by 9:00 a.m. each morning. If a child comes after 9:00, the parent needs to provide a sack lunch for them. This is because they will not be included in our lunch count if they come late. If your child will be late because of an appointment, please call Ms. Carla and let her know ahead of time.

Club Cards

We have had a lot of members come to the Club without their cards recently. Members are required to bring their card with them each day. A member will not be allowed to get on the vans in the morning without their card and if they are dropped off and do not have their card, then the parent will be called and will have to bring their child's card, bring \$3.00 to buy a new card or pick up their child. Members can not check out games, play on the computers or go on field trips (including swimming) without their card. It is very important that parents also help stress the importance of having their card at the Club each day.

After School Program

As we near the end of summer camp we have some news and reminders about our after school program. The schedule is at the right and the extended schedule is now available at the Boys & Girls Club. If you would like your child to come to our after school program please call Ms. Carla. In order for your child(ren) to ride on the vans you must get them signed up. No child will be able to ride the vans from school or to home unless we have talked to the parent first.

Boys & Girls Club Bracelets

We have Boys & Girls Club bracelets available for purchase. They are blue with white lettering. If you want one just bring \$2.00 and see Ms. Carla, Ms. Laura or Ms. Evelyn!! Help support your Boys & Girls Club!
