Club Updates & Reminders...

Holiday Program

We will have our end of the year Holiday Program on Friday, Dec. 17th at 5:00 p.m. You will see performances from our dance group, the Club choir and members of our Self Defense class. We will also recognize our members who have participated in our programs so far this school year. All friends and family of our members are encouraged to come and recognize our members for their achievements!

Lost & Found

We have had large quantities of clothing, coats, etc. being left by our members each day. Please note that our Lost & Found will be emptied out once a week so please make sure to check it regularly if your child is missing anything.

Boys & Girls Club Choir

Our choir will be coming out with their first **Christmas CD, Children's Holiday Cheer, on Dec. 20th.** Yes, that's what we said their very own CD. They have been working recording for the CD since the beginning of the school year. If you could like to reserve your copy please call the Club at 829-3034. Suggested donation for the CD is \$10.00. (These would make GREAT Christmas gifts!)
