

# BOYS & GIRLS CLUB OF BLOOMINGTON-NORMAL

February  
2009

## Club Updates and Reminders...

### After School Pick Up

Each day it is a struggle for the van drivers to keep to their schedules and make it to the schools in time. In order for us to better serve the youth at the Boys & Girls Club we are reminding parents that if your child (ren) will not be coming to the Club we please call us and let us know that day. When we do not receive a phone call we will go to the school and wait, usually longer than we are supposed to, for your child (ren). This puts us behind schedule and makes it frustrating for our other schools. Thank you for all you do to help us serve our members better!
