Club Updates & Reminders...

After School Pick Up

Each day it is a struggle for the van drivers to keep to their schedules and make it to the schools in time. In order for us to better serve the youth at the Boys & Girls Club we are reminding parents that if your child(ren) will not be coming to the Club to please call us and let us know that day. When we do not receive a phone call we will go to the school and wait, usually longer than we are supposed to, for your child(ren). This puts us behind schedule and makes it frustrating for our other schools. Thank you for all you do to help us serve our members better!

Card Policy Reminder

There have been an increasing number of members that try to come to the Boys & Girls Club each day without their card. Members are not allowed to ride the vans without their card and they will be left at the schools and parent/guardians will be responsible for picking them up. If a member does not have their card, they may get on the van with \$3.00, which will buy them a new card. If they ride the bus from school and come without a card they will be able to have snack, do their homework and then they will have to sit for the remainder of the day. **PLEASE MAKE SURE YOUR CHILD HAS THEIR CARD EACH DAY!**
