

Boys & Girls Club Of Bloomington-Normal Parent News...

Club Updates & Reminders...

Club Hours

The Club is open 8:30 - 4:30 Monday through Friday with extended hours for working parents. **The earliest that a child can come to the Club is 7:30 and the latest a child can stay is 5:30.** All children need to be picked up by 5:30! A late fee will be assessed if your child is picked up late and they will not be able to return to the Club until that fee is paid. Also, please have your child(ren) at the Club by 9:00 each day. If they come late they may run the risk of having their group out of the building and they will not be counted for our numbers for lunch.

Van Routes

The vans are back running during the summer program. Please make sure that if your child(ren) ride the van, that they are ready by 7:30 each morning and that someone is home by 4:00 each afternoon. There will only be given one warning the first time no one is home and the second time this occurs your child(ren) will be dropped from the van route for the remainder of summer camp.

Swimming Schedule

Midgets (5-7) - Tuesday
Cadets (8-10) - Wednesday
Juniors (11-12) - Thursday

Please send your child with appropriate swimwear on those days. Each child needs to have their own towel. Also please write your child's name on their swimsuit, towel and bag. These items are always left at the Club each week so this will help us to get them back to your child.

Teen Pageant

We will be holding our 3rd Annual Teen Pageant later this year. Any girl that is interested in participating this year should contact Ms. Evelyn to get the forms. To be eligible girls should be between the ages of 13 - 18 and be an active member of the Club. There are also some things for boys to do in the pageant, so please see Ms. Evelyn for those as well.

Club Cards

Members are required to bring their card with them each day. A member will not be allowed to get on the vans in the morning without their card and if they are dropped off and do not have their card, then the parent will be called and will have to bring their child's card, bring \$3.00 to buy a new card or pick up their child. Members can not check out games, play on the computers or go on field trips (including swimming) without their card.
